

# Skorve

••• Merka turstig

Under siste krig styrta to fly på Skorve. Eit amerikansk fly som var ute med våpenslepp til den norske heimefronten. Det andre var eit tysk transportfly.

*Planecrash at Skorve: During the last war, two planes crashed here. In 1944 an American plane fled in to the mountain side. The mission of this flight was to deliver supplies to the Norwegian resistance. The other accident was a German transport carrier.*
